

Aanchal Singh | UX Designer

I'm a passionate UI/UX designer who brings user-centered experiences to life through thoughtful design and collaboration. With expertise in visual design principles and a proven track record across diverse industries, I create innovative solutions that enhance user engagement and drive business goals. I thrive in cross-functional teams and excel at translating complex ideas into intuitive interfaces.

Experience

Dynamic Mavens | UI/UX Designer

JAN 2026 – PRESENT

Led end-to-end design for web and mobile applications, creating wireframes, prototypes, and high-fidelity mockups using Figma. Collaborated with product managers and developers to ensure seamless design implementation and maintain brand consistency.

Worked with brands like- Iconic India, Nespresso India, True Religion, Brewing Gadgets Dubai

Value Research | UI/UX Designer

JUN 2025 – AUG 2025

Researched design trends and user behavior patterns to inform UX strategy and improve interface usability. Designed user flows and journey maps to optimize user experience across financial research platforms.

Stimulus Research | UI/UX Designer

JAN 2025 – APR 2025

Created visual designs and interactive prototypes that pushed creative boundaries while adhering to brand guidelines. Conducted user research and usability testing to validate design decisions and iterate based on feedback.

Safemax Security | UI/UX Designer

APR 2024 – DEC 2024

Designed secure and intuitive interfaces for security management systems, prioritizing user safety and accessibility. Managed design projects from concept to delivery, coordinating with stakeholders to align on objectives and timelines.

Bajaj Automobile Showroom/UX Designer/May 2024 - Jun 2024

Metro Brands Limited/Senior Executive-Category Management
/Nov 2022 - Jun 2023
